

74B ULWELL ROAD, SWANAGE
£395,000 Leasehold

This exceptionally spacious and newly refurbished first floor flat is one of a pair situated in a detached property at North Swanage, within easy reach of open country and the beach via Burlington Chine. The town centre is approximately one mile away and easily accessible given its location on the main bus route. Having just been totally refurbished, it has the considerable advantage of its own personal entrance, pleasant South facing balcony enjoying views over local parks and cricket ground, private garden, dedicated off road parking, and its own detached garage. The renovation included all new electrics, plumbing and ethernet to every room.

The building was constructed as two purposely built flats and is thought to have been constructed in the mid 20th Century. It is considered to be of traditional cavity construction, externally cement rendered with a Purbeck stone plinth, under a conventional pitched roof which is covered with tiles.

Swanage lies at the Eastern tip of the Isle of Purbeck delightfully situated between the Purbeck Hills. It has a fine, safe, sandy beach, and is an attractive mixture of old stone cottages and more modern properties, all of which blend in well with the peaceful surroundings. To the South is Durlston Country Park renowned for being the gateway to the Jurassic Coast and World Heritage Coastline.
