An exclusive collection of seven beautifully crafted four-bedroom townhouses, this exceptional new development by Barnsmoor Estates offers contemporary living finished to an exacting standard. The seven homes comprise 4 semi-detached four-bedroom townhouses, 1 mid-terrace four-bedroom townhouse, and 2 end-of-terrace four-bedroom townhouses, all thoughtfully designed to provide spacious and versatile accommodation ideal for modern family life. Ideally positioned within walking distance of Woking town centre and its highly regarded mainline station, the development offers excellent connectivity to London and the wider region.

Internally, each home features a superb open-plan kitchen, dining and living space, forming the heart of the home, alongside a separate study and a convenient downstairs cloakroom. The kitchens are stylishly appointed with a full range of Bosch appliances, including a double oven, induction hob, extractor, microwave and fridge freezer, complemented by a separate utility room with Bosch washing machine and condensing tumble dryer. Underfloor heating runs throughout the ground floor, paired with Karndean flooring to the ground floor and bathrooms, and high quality carpets to the upper floors. Upstairs, all properties offer four well-proportioned bedrooms and two contemporary bathrooms fitted with premium Villeroy & Boch sanitaryware. Bedrooms one and two benefit from built-in wardrobes, while UPVC windows and full-width patio doors flood the interiors with natural light. The homes are further enhanced by a combination of gas-fired heating, air source heat pumps and PV panels, ensuring an energy-efficient and future-ready living environment.

Externally, each property enjoys a private patio and garden complete with a garden shed, ideal for outdoor entertaining and relaxation. Practical features include two allocated parking spaces per home and an EV charging point. This outstanding development presents a rare opportunity to acquire a high-quality new home in a sought-after location, and early interest is highly recommended.
